July 8, 2016

4000 Albemarle Street, NW - Suite 304 - 202-362-1815

## Next Tenleytown Business Roundtable is July 13

While Tenleytown is among the safest neighborhoods in the District, it's important for any business to periodically assess how it is protecting its physical assets and employees. Join local business leaders and DC officials on July 13 at 10:00 a.m. for a conversation on security and safety in the Tenleytown commercial district.

The Metropolitan Police Department's 2nd District will share crime trends impacting businesses in the city and discuss issues faced by Tenleytown establishments. Chris Dyer of the Office of Victim Services and Justice Grants will provide information on funding available through the Private Security Camera System Incentive Program. A local security firm has also been invited to provide insights on how businesses can best assess their security needs and practical security solutions available to small businesses.

The Tenleytown Business Roundtable will take place at Burger, Tap & Shake, 4445 Wisconsin Avenue. RSVP to [econstrength@tenleytownmainstreet.org](mailto:econstrength@tenleytownmainstreet.org) by Monday, July 11.

*The Tenleytown Business Roundtable is a monthly gathering of business leaders in the commercial district to discuss issues impacting our community and share resources to help businesses thrive.*
