TMS Offers New Grant Program for Local Businesses

Tenleytown Main Street is pleased to announce the launch of a sign and awning grant program available to businesses within the TMS district.

As part of our commitment to supporting local businesses and ongoing storefront improvements, this small grant program will help defray the costs of new signs and awnings. Street-level businesses are eligible to apply for up to \$5000, while upper level businesses are eligible for up to \$1000 in funding.

To request more information, including grant guidelines and an application package, email Leigh Catherine Miles at cmiles@tenleytownmainstreet.org.

Applications will be reviewed on a rolling basis starting June 24, and awards are based on the availability of funds.
